GRANDE 25 METRI

2019 · LYING BODRUM, TURKEY

ASKING: EUR 3,100,000

THE VOLUME OF A SUPERYACHT, THE AGILITY OF A SPORT CRUISER

A 2019 Azimut Grande 25 Metri, the flagship formula of Azimut's Carbon-Tech generation: a GRP hull under a carbon fibre superstructure, drawn by Stefano Righini with the vertical bow and floor-to-ceiling glazing that define the series. Twin MAN V12s drive her to around 28 knots flat out, with a fast cruise near 24.

Inside, Achille Salvagni's interior moves away from rigid geometry toward flowing, organic curves and suspended furniture. Azimut's Pure 2-Deck concept keeps guest spaces and crew operations fully separated: four guest cabins and four heads below, with berths for eight and quarters for a crew of three.

She lies in Bodrum, Turkey, and is offered for sale by JJ Marine, the official Jeanneau dealer in the UAE, with viewings arranged by appointment.
