

JEANNEAU · PRE-OWNED

JEANNEAU MERRY FISHER 895

2023 · APPROX. 130 HOURS · DUBAI

ASKING: 690,000 AED

LOW HOURS, FULLY OPTIONED, READY IN DUBAI

Delivered new in 2023 and lying in Dubai, this Jeanneau Merry Fisher 895 has covered approximately 130 hours, barely run in. She was specified from the factory with the options that actually matter in the Gulf: a Westerbeke 3 kW diesel generator and air conditioning, so the saloon and both cabins stay cool at anchor without shore power.

The Merry Fisher 895 is the walkaround formula at its most usable: an enclosed, air-conditioned saloon with a sliding side door, protected side decks running forward to a proper bow platform, and a cockpit that converts from dining area to sundeck. Below, two separate cabins sleep four, with further berths in the convertible saloon and a full head compartment with a separate shower.

Twin Mercury 225 hp V6 Verado outboards give easy 25-knot cruising with the reserve to run into the high thirties, and outboard power keeps servicing simple and the engine bay free.
